## DETAILED ACTION

This is response to amendment filed 04/05/07.

### *Information Disclosure Statement*

The information disclosure statement (IDS) submitted on 01/18/07 and 03/26/07. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

### *Allowable Subject Matter*

Claims 1-3, 5-23 are allowed in light of the applicant arguments and in light of the prior art made of record.

The following is an examiner's statement of reasons for allowance: the prior art of record failed to disclose: make obvious, or otherwise suggest a control system, apparatus, a method and a computer-readable storage medium and a program executed by a computer to control apparatus comprising management means for managing the occurrence count of each item in the supplemental information, wherein the selection means selects program regarded by the management means as having a high occurrence count as recited in claims 1, 2, 6-8.

The dependent claims 3, 5, being further limiting to the independent claim 2 definite and fully enable by the specification are also allowed.

The following is an examiner's statement of reasons for allowance: the prior art of record failed to disclose: make obvious, or otherwise suggest A control apparatus for controlling an information processing apparatus, comprising: control means for controlling the information processing apparatus to perform the particular process when the timing condition stored in the storage means in relation to the identification information accepted by the input acceptance means is met as recited in claims 9, 14, 15, 16.

The prior art of record failed to disclose: make obvious, or otherwise suggest control apparatus, a method and a computer readable storage medium and a program executed by a computer for controlling an information processing apparatus, comprising: presentation means for presenting information to a user to prompt a user to select whether the same process as the process described in the operation history stored in the storage means is performed by the information processing apparatus when the timing condition described in the operation history is met, wherein the operation stored in the operation history is dependent on a weighting factor which is dependent on a timing of user actions as recited in claims 17, 21, 22 and 23.

The dependent claims 10-12, 18-20, being further limiting to the independent claims 9 and 17 definite and fully enable by the specification are also allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
